If you are interested in taking part please contact us soon as camping spots are booked on a first come first served basis. We don't ask for a deposit as we know how things can change during the planning stages of any event, and you only pay for those who attend. We do, however, ask that you make your reservation as early as possible to ensure the smooth organization of this event. A **reservation form** is below. Eaglecrest Aerial Park is offering your group the special rate of \$30.00 plus tax for a 3 hour climb including a ride on the 350 ft. Big Zip over lemons lagoon in Santa's Village. This rate is based on 10 or more in your group participating and an advance reservation is required. Please indicate on the reservation form that you would like a call from Eaglecrest and I will have them call you.

NEW THIS YEAR...."Back to Basics and Beyond". It is a PA day for some on Friday June 8th so why not arrive with your group early in the day and take part in some group activity to help build and share your camping repertoire. Sessions begin at 1:00 pm (allowing ample time for you to arrive and set up your camp in the morning) with workshops on camping fundamentals for both new and seasoned campers followed by workshops that add some spice to your camp life (e.g. skits and fantastic campfires, incredible edibles and crafts). Sessions are appropriate for youth and leaders alike. Friday afternoon is a great opportunity to network and make new friends from around the province, add new skills and share the knowledge you have gathered through your years of dedicated service to Guiding and Scouting. Seasoned leaders will be very involved in running the activity but Sarah will work with everyone pre-arrival to organize the day's events. The cost to participate in this event is \$5.00 per person.

Please complete the reservation form below and fax to us today to reserve your spot.
